7-Day Paediatric Surgical Camp at St. Kizito Hospital – Matany

Mbarara University of Science and Technology (MUST), in a dedicated partnership with the Ministry of Health and a consortium of international health organizations, is proud to announce a 7-Day Paediatric Surgical Camp.

This initiative brings together specialized medical expertise to provide life-changing surgical interventions for children in the Karamoja Sub-Region and surrounding areas.

Medical Services Offered

The camp will focus on two primary surgical domains to address a range of congenital and acquired conditions:

1. Paediatric General Surgery

- Hernias in children
- Undescended testis
- Hirschsprung's disease
- Anorectal malformations
- Soft tissue masses
- Hypospadias

2. Paediatric ENT & Plastic Surgery Adenotonsillectomy

- Cleft Lip & Cleft Palate repair
- Excisions and Mass removals
-

A Collaborative Effort for Health

This mission is made possible through the synergy of local and international partners committed to restoring hope and health to the least reached:

- Amigos Internacionales
 - Doctors on Mission International
 - Bethany Kids
 - Mwagale Foundation
 - Mbarara University of Science & Technology (MUST)
 - South Baptist
 - Missionaries Ministry
- of Health, Uganda
